Brussels & Bacon Pik Khing

Chicken or Tofu 10.95 Shrimp 11.95
Duck 13.95

Pik Khing is traditionally made with pork belly. In the absence of pork belly we have found bacon to be a wonderful substitute.

Brussels sprouts, carrots, string beans & crispy bacon stir-fried in a slightly spicy & sweet pik khing sauce with kaffir lime leaves. Served with jasmine rice.

Pad Gaeng Daeng

Chicken or Tofu 9.95 Shrimp 10.95
Duck 12.95

Thick egg noodles sautéed in a spicy red curry-coconut milk sauce with bamboo shoots, bell peppers, broccoli, peas & basil leaves.

Pad Khalum Phee

Chicken, Tofu or Pork 10.95 Shrimp 11.95
Duck 13.95

This is another dish that traditionally uses pork belly. This is definitely one of the first fusion dishes first generation born Americans of Thai immigrants grew up eating that combined American bacon and Thai stir-fry technique.

Crispy bacon stir-fried with cabbage, sprouts, onions & carrots in a garlic soy sauce. Served with jasmine rice.

Sesame Wings 6

Our ginger-marinated wings tossed in a slightly spicy and sweet chili-sesame sauce. Sprinkled with scallions & sesame seeds.

Yaowarat 10.50

A big bowl of chicken broth with egg noodles, chicken dumplings, ground chicken, baby bok choy & sprouts. Topped with cilantro, scallions & fried garlic.

Tom Yum Woon Sen

Chicken or Tofu 8.95 Seafood 12.95

A big bowl of our spicy lemongrass broth, glass noodles, shiitake mushrooms, carrots, celery, broccoli, sprouts, scallions, cilantro, fried garlic & ground nuts.

Nong Khai 9.95

Inspired by the city of Nong Khai in northeastern Thailand which became a refuge for many Vietnamese during the Vietnam War.

A big bowl of beef broth seasoned with star anise, ginger, garlic, cloves, cardamom & cinnamon with rice noodles, sprouts, shaved steak, onions & baby bok choy. Topped with mint, basil, fried garlic, scallions & cilantro.

Beef Teriyaki 10.95

Shaved steak sautéed with onions & peppers with our homemade ginger-garlic teriyaki sauce. Served over rice and topped with a fried egg & sprinkled with sesame seeds.
